# SCALING PLAN

The Scaling Plan form may be printed and completed by hand or follow the instructions below to completing the electronic version of the Scaling Plan.

1. Open the Scaling Plan form and save it to another location and name. Ex. XX Logging-Scaling Plan 2008.
2. Complete the form, moving between the shaded boxes using the tab or mouse. Instructions (ex. type in information or select from drop down lists) are shown on the Status bar, at the bottom of the screen, just above the Task bar.
3. When the form is completed save it, close and submit as an attachment to an email.

The Scaling Plan must be submitted and approved prior to receiving the work permit.

## NAME AND ADDRESS

Indicate the name and address of the cutting right holder this plan is being prepared for. Please provide an e-mail address to receive future updates and communication.

## AUTHORITY

Indicate the timber cutting authority this plan is being prepared for. Quota holders must fill in both their Quota number as well as Permit or Timber Sale number.

## SOURCE/LOCATION

Indicate the cut block or location where the timber will be cut.

## FINAL DESTINATION

List the name of the destination mill/facility or final site (Mill name, rail siding etc.).

## ESTIMATED VOLUME m<sup>3</sup>

Indicate the estimated volume that is expected to be delivered to each destination. The total must not exceed the authorized annual harvest volume for the authority.

## SPECIES

Indicate the tree species or species combination that will be cut.

## LICENCED SCALER

List the full name and Manitoba Scalers licence number for each scaling location. Note this is not required for weigh scale operations.

## SCALING METHOD

Indicate the scaling method(s) by code (1-Mass, 2-Stack, 3-Piece/Linear, 4-Solid). If one mill is to receive wood using two different forms of scaling then list them both.

## SCALING LOCATION

Indicate the location(s) by code where the wood will be scaled (1-Bush Landing, 2-Stock Pile, 3-Mill, 4-Other).

## CERTIFIED CORRECT BY

The cutting right holder or designate must print, sign and date the form.

If acceptable an Authorized Manitoba Conservation staff must fill in the office location, sign and date the form.
